

Public Computer Access at HPL

Non-Homewood residents must purchase a 45-minute pass for \$1.00.

Homewood residents with library cards can use their cards to log on to public computers for 45 minutes.

Homewood residents without library cards can receive a free 45-minute pass by showing their valid Homewood ID (Driver's License or State ID with Homewood address).

15-minute Express passes are free for use only at the downstairs Express computer. These passes are suitable for independent users, especially those who wish to "print and go". 15-minute passes are restricted to one pass per patron per day and cannot be extended.
